## ***COLLEGE DEDICATION***

To wear a smile each day, to disperse a little laughter along the way, to dish out kindness and gentleness to everyone—these are characteristics of Mr. Samuel Richardson to whom we would like to dedicate this 1973 Uticanite. “Rich” as he is known by most has become an integral part of Utica Junior College through his untiring, unfaltering dedication to his work and his students. His motto could easily be the words of Washington Irving:

“Honest good humor is the oil and wine of a merry meeting, and there is no jovial companionship equal to that where the jobs are rather small, and the laughter abundant.

## ***HIGH SCHOOL DEDICATION***

“Get not your friends by bare compliments, but by giving them sensible tokens of love. It is well worth while to learn how to win the heart of a man the right way. Force is of no use to make or preserve a friend, who is an animal that is never caught nor tamed but by kindness and pleasure. Excite them by civilities, and show them that you desire nothing more than their satisfaction; oblige with all your soul that friend who has made you a present of his own.” Socrates

Louis Lee during his nineteen years here at Utica Junior College has proved to be a friend to all, a friend to the institution, a loyal and dedicated worker. Through his musical efforts we have been rewarded. Not only have we gained a musical enthusiast, but a true, genuine friend. For these reasons and more we dedicate this 1973 annual to you, Mr. Louis Lee.

## DEDICATION

It is both fitting and proper that a final dedication of the 1973 Uticanite be made to the Vietnam War Veterans, living and deceased. While it was difficult to define the "Why" of their involvement on many occasions, these young men served their country well with honor, bravery, loyalty, dignity, fortitude, and diligence. As these ambassadors return to their destinations, UJC joins them in hoping that the peace they have so gallantly fought for will be an everlasting one. They have fought a good battle, and they have kept the faith.

The State of War  
is a State of  
Destruction.

## ***THE EDITOR'S MESSAGE***

Dear Uticanites:

You now have in your possession the 1973 Bulldog. We, the staff, hope you will consider it one of the most cherished possessions in the years to come, as you think back on your days of Utica Junior College.

In this book, we have tried to capture the fun, humor, and good times experienced by all uticanites this year. The 1973 Bulldog is a tribute to the year which has passed, to the events which have been enjoyed by all and to those students who have moved on.

I wish to express my deepest appreciation to all who have helped make this yearbook possible. Without the help of Miss Willie Mae Taylor, Mrs. Winger, Mr. Harper, Mr. Bennie Clay and a very capable staff, the 1973 Uticanite would not have been completed. A special thanks to the entire student body for their cooperation and support.

There was a lot of hard work involved but we were able to conquer it. There were times when I thought the 1973 Uticanite would never be completed.

Thanks again to all who made the 1973 Uticanite possible. I appreciate the opportunity I had as editor and I hope we have captured some of the highlights of your year at Utica. Best wishes in the years to come.

Maggie Terry
